

BGS Uniform Guidance

September 2024 Onwards

(Prices correct as of 5th July 2024 but maybe subject to change)

Introduction - Uniform is compulsory for all pupils starting from Pre-Reception, moving through to Year 6. Expectations for school uniform is very high at BGS, as we want pupils to feel proud of their school and take pride in their appearance. Listening to feedback from all stakeholders, as a school we have improved the expectations to take pride in who we are and how well we are **dressed for success**. Dressing for success is going to be a key point in a new behaviour policy which was implemented in September 2023. Through consultation, parents shared that they want to ensure the items of clothing are value for money, which is why we are streamlining the uniform expectations where possible and having multiple purposes for them. If pupils are not following the uniform expectations, school will contact parents/carers to work together to meet the expectations.

Changes of note – for those families that have been at BGS for longer, the uniform expectations bring some changes/improvements compared to previous years. The list below is a brief overview of the main changes which are explained in more detail later in the guidance:

- Whereas before, the correct uniform was not always worn consistently; this will now be an expectation for all, having shared accountability.
- BGS changed the **school logo** in 2019. Since then, some items of uniform with the previous logo have been worn as part of the transition between the two (over 4 years). From September 2023, uniform items with the old logo are no longer needed and will not be permitted.
- For Prep pupils (Years 3-6), blazers will be worn each day at school when transitioning between lessons inside. Fleece for Prep pupils are now optional and can be worn outside as an additional layer of clothing in the winter.
- All pupils from Reception to Year 6 will wear their blazer on a Friday to attend our celebration assembly.
- For Years 1-6, there is now a BGS tracksuit top, to be worn alongside navy tracksuit bottoms for both outdoor PE/Games and Forest School.
- For years 1 and 2, there is new guidance on what to wear to school on forest school and PE lesson days.
- Pre-Reception and Reception pupils will be required to wear pumps/plimsolls whilst indoors.

Summer/Winter Uniform – At BGS, we have a summer and winter uniform, to ensure children are dressed appropriately and safely for the differing temperatures throughout the year. As we all know, the weather is unpredictable therefore we have two crossover periods of when certain uniform should be worn, which is set out in the table below.

Half Term	Uniform Expectations
Autumn 1 (Sep/Oct)	Summer or Winter Uniform
Autumn 2 (Nov/Dec)	Strictly Winter Uniform
Spring 1 (Jan/Feb)	Strictly Winter Uniform
Spring 2 (Feb/Mar)	Strictly Winter Uniform
Summer 1 (Apr/May)	Summer Uniform where possible, but Winter Uniform if cold
Summer 2 (Jun/Jul)	Strictly Summer Uniform

BGS and External Uniform – Later in the guidance, all items that say 'BGS' as the supplier should be purchased from school. If it says 'external' as a supplier, these items are not BGS branded and can be purchased from multiple places.

Purchasing Uniform – All BGS uniform can be purchased at our school uniform shop. Additionally, The Parent Teacher Association will continue to lead the pre-loved uniform store at school.

Naming/Labelling Uniform – It is vitally important that every single item of uniform/clothing/accessory that comes into school is labelled. Not only this, please can parents support your children with knowing where the label is so they can become independent keeping their items safe. Where everyone in school will do their best to not lose uniform, it will inevitably happen. Therefore, by naming every item, it will be easy to return it to the correct pupil. This includes socks and spare clothing.

Jewellery and Make up - No jewellery should be worn in school. If children have pierced ears, plain gold or silver studs may be worn. Children are not permitted to wear make-up, which includes nail varnish.

Long Hair – All children's hair must be kept neat, tidy and off the face. Long hair must be tied up, and all hair accessories used should be navy blue.

Inclusivity – There may be reasons why individual pupils cannot adhere to certain elements of the uniform expectations, due to sensory or other needs. As a school which values inclusivity wholeheartedly, there may be exceptions granted to pupils for certain uniform expectations. These would be agreed with our Special Educational Needs Coordinator (SENCO), Mrs Page.

Non Uniform Days - If your child is not required to wear uniform for a particular day, e.g. a school trip, you will be informed by the Form Teacher. Belmont Grosvenor School occasionally has 'non-uniform' days, usually to raise money for charity. On 'non-uniform' days the children are allowed to come to school in casual clothes although it is important that, for safety reasons, they adhere to the normal school regulations on the wearing of low-heeled shoes and long hair must be tied back.

Main Uniform Overview
